SPONSORSHIP PROSPECTUS

Dear Participant,

Dokuz Eylül University Textile Engineering Department has been organizing Technical Textile Congress since 2002 with the aim of creating new opportunities for the researchers and companies focused on the technical textiles.

We are pleased to announce that the 9th edition of the International Technical Textiles Congress will be held on October 17-18, 2025 in the ancient city of İzmir, Türkiye with the participation of scientific and industrial societies from all over the world. The congress will be a great chance for new contacts, scientific discussions and fruitful collaborations.

In order to perform more efficient conference organization, supportive and powerful sponsors are needed. Expenses of the conference including conference lunches and gala diner, transportation and accommodation of the invited speakers, conference bag, etc. can be covered by sponsors.

Our sponsorship packages offer varying levels of exposure, ensuring maximum visibility for your brand throughout the conference and associated promotional activities. We encourage you to seize this moment to showcase your organization's dedication to a responsible and sustainable future of technical textiles and their critical role in the textile sector.
